

ANNUAL GENERAL MEETING CONSTITUTIONAL PROPOSAL 2022

<u>Title of proposed change:</u> To replace the Regions	
<u>Constitution Clause No:</u> Various	
<u>Existing Clause:</u> (insert wording) Please see attached	
<u>Revised Clause:</u> (insert proposed wording) Please see attached	
<u>Purpose/Rationale:</u> (Why make this change – what are the benefits?) With a smaller membership the number of bands in each region has fallen and makes attendance at regional meetings much smaller – therefore query whether there is any benefit to having regions. We have all got used to remote meetings and it is believed that replacing regions with a couple of annual national meetings to be held by Zoom would be more beneficial and allow issues which are relevant to all bands to be discussed in one forum.
